## Mission Statement

Heritage Elementary School's mission is to impart the best in traditional education set in the technology of the day. Heritage Elementary School will prepare students with phonics reading skills, critical thinking skills, analytical reasoning skills and the ability to become lifelong learners and productive citizens in a world of diverse cultures.

## Philosophy

Heritage Elementary School provides a kindergarten through eighth grade education whereby character education is presented. Quality reading skills are developed through intensive phonics, math skills are emphasized, students learn responsibility and respect for self and others, students learn that effective work yields rewards, life skills are taught in cause-and-effect relationships, computer technology is blended into effective learning and teachers and staff are committed to each student.

Heritage Elementary School also emphasizes the importance of parental involvement in the education of their children. For this reason, parents of Heritage Elementary School's students are encouraged to sign a contract whereby they agree to take an active role in the education of their child and, to the best of their abilities, participate in school activities.

To help accomplish the mission of the school, Heritage Elementary implements the Character Counts program in all areas, including curriculum, discipline, and positive reinforcement.

## Absences, Attendance & Tardiness

### **Attendance Policy**

Regular attendance for each child is necessary for maximum academic growth.

Heritage Elementary school takes a serious stance on consistent attendance, prompt arrival, and minimizing early departures. To that end, the following policies will be followed:

#### **Absences:**

**ARS 15-901-The Department of Education defines an excused absence as being an absence due to illness, doctor appointment, bereavement, family emergencies, out-of-school suspensions, and religious purposes (as per ARS 15-806), not to exceed 10% of the instructional days scheduled for the school year**

- Therefore, family vacations, hunting trips, babysitting, personal appointments, music/dance lessons, club meetings, or oversleeping are **NOT** legally valid reasons for an absence or tardy.
- Medical notes must be submitted to the registrar any time a student is absent for **3 or more** consecutive days.

**ARS 15-803-A child is "habitually truant" when they have had at least 5 unexcused absences during a school year.**

- Please notify the school's front desk staff prior to 9:00am if your child is going to be absent and provide the reason for the absence. The Arizona Department of Education requires that schools obtain the *specific* reason for any absence.
- Truancy is a violation of state law and may result in legal action against the parents or guardians, as well as the student.

In the interest of sound academic work, a student **shall not** be absent without an adequate reason.

**ARS 15-803-A child is "excessively absent" when they have been absent at least 10% of the school days thus far.**

- Excessive absenteeism and chronic truancy are serious issues and a violation of state and local laws.
- It is the legal responsibility of parents/guardians to have their children in school on a regular basis and to comply with the Compulsory Attendance Law.

**Tardies:**

- Arriving to school on time demonstrates a commitment to success.
- Late arrivals mean lost learning and are a disruption of class.
- All students arriving after the last bell at **8:00 AM** will be counted as tardy unless the bus provided by the school is late.
- If the student is late, he/she must report to the office and be signed in by a parent/guardian before going to the classroom. The student will be given a pass to take to the classroom teacher.

**PARENTS MUST SIGN IN THEIR CHILD IF STUDENT ARRIVES LATE.**

**Early Departures:**

- Early departures prevent a student from receiving the final review of instruction and assignments for the day.
- Students are expected to be in school the entire school day, unless required to leave due to one of the **legally valid reasons (stated above)**.

**For every three tardies and/or early departures, a student will accrue one absence.**

Heritage Elementary School is committed to:

- Working with students and their families to ensure that all students attend school regularly.
- Understanding there is a variety of factors that may influence school attendance.
- Providing strength-based and culturally appropriate interventions and services including parent education and referrals to school/community-based resources.
- Addressing excessive absenteeism, chronic tardies and early departures as quickly as possible.
- Communicate the issue to the parents/guardians.
- Partner with parents/guardians and students to develop strategies to address the absenteeism and produce a change in behavior.

Heritage Elementary School District Attendance Officer, campus Registrars, and Health Techs will work together to monitor and document a student's attendance record. In an attempt to curb excessive absences, chronic tardies and early departures, and chronic truancy, the following measures will be followed:

- After a student accumulates 6 tardies or early departures (excused or unexcused) a letter will be sent home and the student will be required to participate in the school's Intervention Program for each tardy and early dismissal thereafter. **A student who accumulates 3 tardies will not be considered for perfect attendance.**
  - If a student accumulates 10 tardies or early dismissals, parents may be required to meet with the Attendance Officer.
- After a student accumulates 3 unexcused absences (consecutive or non-consecutive) a letter will be sent home and the student will be required to participate in the school's Intervention Program for each unexcused absence thereafter.
- At 10 absences (excused or unexcused) parents/guardians and students will be required to meet with the District Attendance Officer for an Intervention Meeting. At this meeting, strategies to address the poor attendance will be discussed and an Attendance Contract will be signed.
  - Failure of a parent/guardian to sign an Attendance Contract could result in a Court referral.

**Heritage Elementary School reserves the right to retain a student who has missed over 18 days of school (excused or unexcused) during the school year.** Additionally, loss of after-school privileges and exclusion from extracurricular activities, including field trips, dances, dress-down days, and sports could be a result of a student's failure to maintain at least an 90% attendance record and/or failure to comply with Heritage Elementary's Attendance Policies.

## **Intervention Policy**

Heritage Elementary school is committed to providing quality instruction to support student learning and success. Students who are unable to be serviced in the classroom due to tardies, early departures, absences and/or are failing core subject areas (Math, Reading, Writing, Social Studies, Science) will be identified for intervention services. (Refer to the excessive absence and excessive tardy policies)

Intervention services provide grade level instruction centered on standards, taught by highly qualified teachers. Intervention may include one or more of the following: lunch intervention, afterschool intervention, Saturday intervention, or intervention weeks. There are two weeks that your student may be required to attend intervention; during the Fall and Spring breaks. Our goal is to ensure your child receives all their entitled instruction time. The site principal will contact the parent when student is required to attend an intervention program.

**Failure to attend required intervention program may result in automatic grade retention of your child.** Please partner with Heritage Elementary to ensure your child has the foundational skills necessary to be successful in school and in life.

### **After School Activities & Athletic Programs**

The school offers after school sports programs for both boys and girls in fifth through eighth grades. Chess club is offered to students in kindergarten through eighth grade. In order to participate in sports and other after school activities, a student must be passing every class with a grade of "C" or better and have a signed permission slip from a parent or guardian before being allowed to remain after school. Siblings of students involved in after school activities and students not involved in after school activities are not to be on school grounds after the busses leave at dismissal time unless they are registered and taken to the after care facility. Students should be picked up promptly at the scheduled end time of the activity.

### **Athlete/School Ground Concussions and Head Injuries**

A student who exhibits signs, symptoms, or behaviors consistent with a concussion in practice, a game, P.E. or recess will be removed from participation or competition at that time. A student who has been removed from an interscholastic contest, practice, PE or recess for a possible concussion or head injury may not return to physical activity unless cleared to do so by a physician. If not cleared to return to physical activity, a student may not return to play or practice until the student has provided the school with written clearance from a physician. The student will be required to follow the Return to Play Progression process as outlined by the Center for Disease Control and Prevention. All student athletes must have a current physical and clearance to participate in sports.

### **Awards**

In an effort to reward and recognize positive behavior and effort, attendance, citizenship, honor roll and leadership, certificates and other types of rewards will be given at quarterly assembly programs. Parents are invited to attend these programs. Dates and times have been provided on the Events section of our website.

### **Before & After School Program**

To facilitate tutoring and provide students opportunities to participate in extra activities after school hours, the school offers a free After School Program. The program runs before school, starting at 7:00am, and lets out Monday - Friday at 6:00pm. Policies and procedures governing this program are found in the requisite registration forms.

### **Books & Supplies**

Textbooks and library books may be provided by the school. Students are responsible for all books that are issued to them. These books must be returned in good condition by the end of the school year. There will be a charge for any lost or damaged textbooks or library books.

- Students marking or damaging school equipment or property will be required to clean the article or to pay for any necessary repairs.

## Cell Phone Use on Campus

In an effort to utilize the advantages of technology in the classroom, Heritage Elementary does allow the use of cell phones for guided and monitored time periods. The use of cell phones on campus must solely be for academic reasons; Cell phones should be out-of-sight and out-of-mind at any other time. Students using cell phones to communicate with a parent/guardian without permission from administration will receive disciplinary action. Any misuse of cell phones may result in, but is not limited to, the following:

**1<sup>st</sup> offense:** the phone will be confiscated, a parent must pick up the item from the office.

**2<sup>nd</sup> offense:** the phone will be confiscated, a parent must pick up the item from the office and an after-school detention is assigned.

**3<sup>rd</sup> offense:** the phone will be confiscated, a parent must pick up the item from the office and a 1 day suspension is assigned.

**NOTE:** Administration will not investigate phone loss, theft, or damage. Parents acknowledge and accept this risk when sending phones with students.

### **Change of Address/Telephone Number**

It is very important that every student maintain an up-to-date address and telephone record at the school office. If you move or change telephone numbers, report the change to your child's teacher and the front office as soon as possible. It is imperative that the school be able to contact the parents at any time.

### **Child Abuse Reporting**

The legal obligation of Heritage Elementary school employees is to report situations of suspected child abuse and neglect. If a Heritage Elementary employee suspects child abuse, the employee will first speak with the school counselor, nurse, and/or principal. If the designated school officials feel the situation needs to be reported, CPS will be called by the employee who has first-hand information of the situation. The Heritage Elementary employees will maintain confidentiality and speak with no individual beyond the designated school officials (i.e. nurse, counselor, principal). If any student or employee feels they are the victim of sexual abuse of any kind, they may directly contact Jackie Trujillo (Superintendent; [jtprincipal@hotmail.com](mailto:jtprincipal@hotmail.com)).

### **Computer & Internet Use**

The school provides computers and internet access to support the educational mission of the school and to enhance the curriculum and learning opportunities for students. The rules listed here are intended to provide students with general guidelines and examples of prohibited uses but do not attempt to state all required or prohibited activities by users. Failure to comply with these rules may result in loss of computer and internet access privileges, disciplinary action and/or legal action.

Parents should understand that while precautions are taken to supervise student use of the internet, the school cannot prevent all inappropriate uses, including access to objectionable materials and/or communication with persons outside of the school, if a student chooses to break the rules and access them. The school is not responsible for the accuracy or quality of information that students obtain through the internet.

Students and parents are required to sign and submit an Internet/Technology User Agreement. Parents may opt to refuse to allow their child to use computers or the internet while at school. Parents who wish to exercise this right should notify you student's teacher in writing.

#### **A. Computer Use Is a Privilege, Not a right**

Student use of a school's computers, networks and internet services is a privilege, not a right. Unacceptable use/activity may result in suspension or cancellation of privileges as well as additional disciplinary and/or legal action. The administration will have final authority to decide whether a student's privileges will be denied, revoked and/or reinstated.

#### **B. Acceptable Use**

Student access to the school's computers, networks and internet services are provided for educational purposes and research, consistent with the school's educational mission, curriculum and instructional goals. The same rules and expectations that govern student conduct and communications will apply to student use of computers and the internet. Students are further expected to comply with these rules and all specific instructions from the teacher/staff when accessing the school's computers, networks and internet services.

## C. Prohibited Use

The user is responsible for his/her actions involving school computers, networks and internet services and for his/her computer files, passwords and accounts. Examples of unacceptable uses that are expressly prohibited include, but are not limited to, the following:

14. **System Security:** The security of the school's computers, networks and internet services is a high priority. Any user who identifies a security problem must notify only a supervising teacher. Any user who attempts or causes a breach of system security will have his/her privileges revoked and may be subject to additional disciplinary and/or legal action.

### Custody

In cases where custody/visitation affects a child at school, the school will follow the most recent court order on file. It is the responsibility of the custodial parent or of parents having joint custody to provide the school with the most recent court order. The school should not be placed in the middle of custody disputes and visitation of non-custodial parent should be arranged outside of the school so as not to distract from and interrupt the child's education.

## Discipline

### Classroom Discipline Plan

Each classroom will have a posted plan which includes expectations for behavior, consequences for violation, and rewards for compliance. Teachers will send home their classroom discipline plan for both parents and students to read, sign and return. Discipline will occur when there is interference with the teacher's right to instruct, or another student's right to learn; or if there is violation of other school rules.

### Discipline: Referrals

The following consequences may be used with students who are sent to the office with a referral for unacceptable behavior. However, the most effective consequence to change a student's behavior is when the parents support the school with consequences at home. This helps the student realize that their parents and the school are going to be working together to help them behave and become the best that they can be.

- Character report
- Character awareness program
- Conference with student
- Conference with parent
- Time out of assigned class
- Lunch detention
- Loss of play time
- Loss of special activities
- Change of schedule
- Revocation of privileges
- In-school suspension
- Out-of-school suspension
- Expulsion from school
- Police referral
- Other miscellaneous, appropriate consequences

The consequence will be determined by the severity of the behavior and the number of times the student has received a referral. The consequences will also increase in severity with each additional referral. If a student has three serious infractions of school rules the parents will be required to come to the school for a meeting with the administration and teacher(s) to create a Behavior Modification Contract. If the student does not comply with this contract resulting in two more referrals or one more serious infraction of the rules, this will be taken as notice to the school that the child has no intentions of complying with the school rules/ policies and the student will be referred to the school board for expulsion.

Heritage Elementary sets high academic standards. All school policies and rules must be followed by the students to foster an atmosphere of quality learning.

**Each incident will be handled on an individual basis. Please refer to the Glossary of Consequences located in the back of the book.**

## FERPA-Family Educational Rights and Privacy Acts

Parents have the right to inspect and review all educational records, seek to amend educational records, and have some control over the disclosure of information from educational records. As a parent, you have the right to consent to disclosures and to file a complaint with the U.S. Department of Education. Copies of FERPA are available for parents at the front desk.

Both biological parents have equal access rights to their child unless the police or court system has severed their parental rights. The school cannot intervene in parental disputes and will not prevent any biological or legal guardian access to their child unless an order has been received from the courts, CPS, or police department stating otherwise.

Under FERPA, the school also provides Child Find services to our students. Detailed information about Child Find procedures can be found at the front desk.

### **Field Trips**

Field trips to nearby points of interest are scheduled by various teachers throughout the school year. These trips are designed to supplement different aspects of the curriculum and to introduce students to the resources of the community. Parents will be notified in advance of any planned field trip. Notes will be sent home stating the destination, cost (cash only), time and purpose of the proposed trip. Parents may accompany their child if they are designated as a chaperone after a volunteer application has been processed (see visitors & guest section). Chaperones will not be permitted to bring any children other than the ones scheduled to attend the field trip. This includes children in another grade from the same school, children from another school, infants or toddlers. A written permission slip signed by the parent **MUST** be obtained before a child is allowed to attend a field trip. Parents may always elect to not have their student participate in a field trip. Students with unacceptable behavior may be denied the privilege of participating in a field trip or a parent may be required to accompany him or her on the trip. Parents will be notified if their child will not participate or if the parent will need to accompany him/her on the trip.

### **Fire Drills & Emergencies**

Fire drills, lock down drills and bus evacuation drills are held periodically during class time. A fire evacuation plan is posted in each room. Students should study the plan and become familiar with it. It is important for students to follow teacher instructions quickly and quietly whenever such emergency situations exist. When the first alarm sounds, students will immediately leave the room in an orderly fashion as outlined by the teacher. Since safety in an evacuation is of utmost concern, no one will be allowed to run. Students are not permitted to talk during a fire drill and are to remain at least 50 feet away from the buildings. **NO ONE IS TO RETURN TO THE BUILDING UNTIL INSTRUCTED TO DO SO BY AN ADMINISTRATOR.**

Students periodically review exit routes and safety procedures for evacuating the building and the lock down drill procedures.

### **Food & Nutrition Program**

Heritage Elementary School is part of the National Free and Reduced Lunch Program. Hot lunches can be purchased, for students who don't qualify for the program, at a cost of \$2.85 per day\*\*. Students that qualify for reduced lunches will be charged 40 cents per day. These prices are subject to change based on current food costs.

*\*\*Please note: This is the current price at time of print and it is subject to change throughout the year at the school's discretion based on food cost.*

### **Forbidden Items**

The following items have no place at school: knives, weapons or replicas of weapons of any kind, fireworks of any kind, lighters, matches, cigarettes, tobacco products of any kind, drugs, alcohol,

pornography, laser pointers or pens, pagers, water guns, baseballs, and hardballs. **All electronic devices of any kind are strictly prohibited, except as approved by administration on a case by case basis.** Electronic devices include, but are not limited to: iPods or other music players, handheld gaming devices, personal computers or tablets, etc. These items and anything else that cause problems of control at school will be taken, and disciplinary action will follow. If one of these items is confiscated, a parent must pick up the item from the office. A second offense will result in the item being kept until the end of the school year.

Disciplinary action will reflect zero tolerance of weapons on or near school property or at school activities, including air guns that shoot pellets, BBs, or other similar material. Accordingly, a student who possesses any type of gun on or near school grounds or at school sponsored activities before, during, or after school hours will be subject to long-term suspension or expulsion. Zero tolerance is defined as follows: Immediate and developmentally appropriate action will be taken as per Heritage Elementary Student Code included in the back of this handbook. Disciplinary action in this area will also reflect zero tolerance for possession or use of any other instrument in a dangerous, intimidating or combative manner.

**REGULATION:** It is strictly prohibited to possess firearms, any type of explosive devices, knives, or other dangerous instruments on district school grounds, any school-sponsored activity or on the bus. A.R.S. 13-3101 through 13-3110 further prohibits the concealment of weapons and possession of explosive devices and sales thereof.

1. Police will be notified and student may be prosecuted.
2. Parents will be notified.

### Gang Related Activity

For the purposes of school discipline, a gang shall be defined as a group of three or more persons who (1) have a name, (2) claim a territory, (3) have rivals/enemies, (4) interact together to the exclusion of others, and (5) exhibit anti-social behavior often associated with crime or a threat to the community.

Gang behavior that initiates, advocates, or promotes activities which threaten the safety or well-being of persons or property on school grounds, or which disrupts the educational environment, is strictly forbidden. Any student wearing, carrying, or displaying gang clothing, symbols or paraphernalia; exhibiting behavior or gestures which symbolize gang membership; causing and/or participating in activities which intimidate or adversely affect the educational pursuits of another student or the orderly operation of the school shall be subject to disciplinary action. The following will be used to prohibit inappropriate and/or gang-related behavior on campus:

- Graffiti symbolizing gang membership or identification can inflame hostility between gangs and create a potentially violent situation. Students using graffiti may receive a suspension from school. Throwing signs may result in suspension.
- Gang related altercations will be reported to the police immediately. School personnel, if necessary, will do follow-up.
- Weapons will be turned over to the police. Students will be suspended or expelled.
- Fighting will result in automatic suspension with probable expulsion.
- Intimidation will warrant suspension.
- Students who continue to disrupt the educational process or pose a threat to other students due to gang-related behaviors will be recommended for long-term suspension or expulsion.

### Grading System

Teachers grade largely on class work, homework, and tests. Participation in class discussions, special projects, and effort are also taken into consideration. Report cards are issued four (4) times during the year.

Subjects are graded as follows:

**B** - 80-89% Above Average  
**C** - 70-79% Average

**E** - Excellent, high performance  
**S** - Satisfactory, sufficient progress  
**N** - Needs Improvement

### Harassment & Bullying

Harassment and bullying of students are prohibited. Harassment and bullying means physical or psychological abuse of another student by means of verbal or physical threats, intimidation, insults or other aggressive behavior and includes abuse based upon race, ethnicity, gender, religion or disability. If a student believes that he or she has been harassed or bullied, the student should report the behavior to a teacher, counselor, school nurse, or school administrator. Students who engage in harassment or bullying will be subject to disciplinary action.

## Health Office

- A fever of 100.0 degrees or more. **Children with a fever of 100.0 degrees or more must be fever free for 24 hours without the use of fever reducing medications before returning to school.**

### **Administration of Medication:**

In order for student to receive medication at school the following policy will apply:

- Parent/guardian will supply medication.
- A permission form supplied by the health office must be completed by the parent/guardian.

### **Administration of Medication Prescribed By a Physician:**

- The law (A.R.S. 15-344) requires medication must be delivered to the health office in the prescription container as prepared by the pharmacist; the school office may document the number of pills upon receipt.
- The prescription label must bear the student's name, current date, and the name of medication, dosage and the time to be given.
- Please ask your pharmacist to provide you with three containers: one for home, one for school, and one for a single dose on field trips.
- It is recommended that no more than a 30-day supply is maintained at school.

### **Administration of Non-Prescription Medication:**

- In order for students to receive over the counter medication, a permission slip needs to be signed.
- The law (A.R.S. 15-344) requires medication must be delivered to the nurse in the original container as packaged by the manufacturer and labeled with the student's name.
- Dosage must be in keeping with the manufacturer's recommendations as printed on the label.

### **Health Screening**

Health screening programs *MAY* include: Vision, Hearing and or Dental. If any abnormalities are discovered as a result of the screening, parents/legal guardians will be notified and recommendations made for further evaluation.

### **Emergency Information Update**

Each school year, you will be asked to complete an emergency update for each child in your family. You are asked to provide school personnel with current information so that you can be reached in the event of an illness/injury. Please let school personnel know how and where to reach you during school hours.

**Please keep school personnel informed of any changes in this information during the school year.**

## **Immunizations**

### **NO CHILD WILL BE ADMITTED WITHOUT PROPER PROOF OF IMMUNIZATIONS**

Documentary proof of immunizations must be presented to school personnel at the time of enrollment. Immunizations must be current for the age of the child. Please keep the office informed of any new immunizations your children receive so the health records will be current.

Children who are not adequately vaccinated against preventable diseases will be excluded from school in the event of a disease outbreak. The following is the immunization requirement for school enrollment (Maricopa County Department of Health):

Arizona State Law requires that a child, upon entering school, must have a record of immunizations against preventable childhood diseases. These are diphtheria, tetanus, whooping cough (DPT); Polio (OPV or IPV); measles, mumps, rubella (MMR) and Hepatitis B. The requirements for immunizations can change from year to year; the health office will notify you of any changes.

A waiver or deferral, in part or in full, will be granted in medical or religious cases, or for personal beliefs.

In all cases, parents must provide either a record of immunizations or request a waiver of immunizations.

## **Early Dismissal of Students Due To Illness or Injury**

When illness or injury occurs at school and remaining at school is not in the student's best interest, parents/legal guardians or their designee will be contacted. If you want the school to contact you in the event of all injuries, please notify the school in writing at the beginning of the school year. Parents will be called in the event of any serious accident or illness. For their safety, students are not allowed to walk home during the school day. A parent or designee must sign them out of school.

## **Random Lice Checks and Lice Checks Policy**

In order to keep all students' health as a priority, random lice checks will be conducted in any classroom where someone is reported to have lice. Lice checks will also be conducted on any sibling whose family member has been reported to have lice. If this student is found to have lice, a check will be conducted on their whole class.

Once a student is sent home because they have been found to have lice, they **MUST** get a health clearance directly from the Heritage Health Office before they can return back to school. The student must be brought in by a parent/guardian before the school day starts and checked for five (5) consecutive school days.

## **Homework**

Homework is a natural extension of the school day. It is intended to provide independent practice and build study skills. Homework can also strengthen basic skills and reinforce study habits as well as allow parents to see the quality of work their child is handing in. Any unfinished class work is considered homework. If a student misses an assignment due to illness or other family problems, he/she is responsible to get the assignments from the teacher, or from another student to get the work they missed. Parents can help their children by arranging a quiet, comfortable place at home for the students to work and by checking to see that assignments are

completed. Teachers will assign homework almost every day. Please check with your child's teacher about his/her homework policy. Parents are encouraged to provide time and a quiet study area for their children to complete homework activities.

### **Letters & Notices**

Students have the responsibility of taking home all notices that are given to them. Many notices are very important, informing parents of things going on at the school that they need to know. Students, please make sure that you give all papers to your parents, including early dismissal notes and parent/teacher conference notices. The school website, [hesarizona.org](http://hesarizona.org), is also a tool for parents to use to stay current with events, newsletters, and teacher blogs.

### **Lockers**

A locker may be provided for students in grades 6 through 8, depending on availability. If a student wishes to use a locker, a \$5.00, nonrefundable fee will be charged for locker maintenance and operation. The lockers will be required to be kept in original condition (no stickers, markers or paint, etc.), and kept clean and odor free (no open food items to draw ants, or dirty socks or clothing etc.). Students are responsible for providing their own locks for their locker. The lock must be a combination style lock, and the office must be given the combination for the student's lock to remain on file.

If for any reason the lock is changed without authorization from the office, the lock will be removed and the student will forfeit the privilege of using a lock and locker. Occasional locker inspections may be conducted by the administration and/or staff. The school follows all relevant state law in regards to school safety and welfare, and locks may be cut under certain exigent circumstances in order for the school to maintain a safe environment.

### **Parent/Teacher Conferences**

During the school year, specific dates have been set aside for parents to schedule official conferences regarding their child's progress. Teachers will be happy to discuss your child's progress whenever you feel it is necessary. Please contact your child's teacher or the school office in order to set up an appointment. Please do not set appointments during instructional time or drop in to talk with the teacher during the school day. Formal conferences between parents and teacher are scheduled during the first and third grading periods of the school year. Parent/Teacher conferences provide an opportunity to review children's progress in all areas of the school experience.

### **Parents Right to Know**

Parents may request information on the professional qualifications of the student's teacher. The type of information available upon request is if: the teacher meets State Qualifications/licensure requirements; the teacher is teaching under an Emergency Teaching Certificate; the teacher has a baccalaureate degree; the student receives services from a paraprofessional; and, the qualifications of the paraprofessional.

### **Peanut-Free Campus**

In an effort to minimize the risk of some of our students who have severe nut allergies, there can be **no peanut products of any kind on campus.**

### P.I.T. (Parent Involvement Team)

All parents are urged to become members of the school P.I.T. and to actively participate. Each year the P.I.T. sponsors fund-raising activities and with your help, these projects can be very successful. The monies raised help to fund many important activities at the school. We will notify parents in advance of meeting dates and times.

### Police Visits

Police may ask to interview a student at school. If the purpose of the interview is to investigate child abuse or neglect, the school cannot notify the parent without police authorization. In all other cases, the school will make reasonable efforts to notify the parent. After reasonable efforts to notify the parent, the school will allow the interview unless the student does not wish to be interviewed or wishes to first speak with the parent. If police wish to take a student into custody, the school must comply with the request. The school will notify the parent unless the police have directed the school to refer the parent to the police.

### Promotion & Retention

The purposes of these procedures are to identify students who are not achieving satisfactory progress in one or more of the basic subject areas and to provide intervention as early as possible. To accomplish this, the parent, teacher, administrator, and student should work together to develop and implement a plan designed around the specific needs of the student, with the goal of decreasing the likelihood of retention. The student's progress should be closely monitored until such time as the student is achieving satisfactory grades. If, however, it is deemed in the child's best interest to be retained because he/she is not prepared to go on to the next grade or the child needs more time to acquire the skills at the present grade, the child will be retained. The final decision regarding promotion and retention rests with the school.

The newly revised law states that a student shall not be promoted from the third grade if the student obtains a score on the AIMS reading test (or a successor test) that demonstrates he or she is **reading far below the third grade level**.

Beginning in 2013-2014 school year, there are two exemptions from ARS §15-701.

In accordance with the new law, a school district or governing board or the governing body of a charter school may be allowed to promote a pupil who earns an AIMS score that falls far below the third grade level for any of the following reasons:

- English Language Learners or Limited English Proficient that have received less than two years of English instruction; and
- Students with disabilities provided that the pupil's individualized education program (IEP) team and the pupil's parent or guardian agree that promotion is appropriate based on the pupil's IEP.

The revised statute (A.R.S. § 15-701) is at the following website: <http://www.azleg.gov/ars/15/00701.htm>

### Sign Out

For the safety and protection of the child, we only permit students to leave campus if the parents/guardians provide written authorization. If it is necessary for a student to be dismissed from school before the end of the school day, **the parent/guardian must come to the office and sign the child out.** We will then call the student from class for you. No child will be released to parent, guardian, or any other person not listed on the Emergency Contact list.

Note: Parents, please notify the teacher via Class Dojo **before** 2:00 if there is a change in bus or other transportation for your student. If you notify the school later than 2:00, we cannot ensure that your student and other affected parties are fully informed.

Likewise, if you try to sign out your child less than 15 minutes prior to scheduled dismissal, we cannot guarantee that your child will be able to have had the office inform the teacher, the student collect and pack up homework, and the student safely escorted to the office.

*To prevent last minute hassles, please send a note about the absence with your child to inform the teacher and the attendance clerk at the beginning of the day.*

### Search & Seizure

Order, safety and security are essential to a productive learning environment. When the learning environment is threatened by the presence of contraband, school officials have a responsibility and authority to search for and obtain the contraband from students or non-students if there is reasonable suspicion that the student possesses such contraband. These searches can include desks, lockers, personal belongings and the student's backpacks. Student desks, lockers, school textbooks and library books are the property of the school and remain, at all times, under the control of the school. However, students are expected to assume full responsibility for the security and safekeeping of the desks, lockers, books and equipment assigned to them. Inspections of desks, backpacks and lockers may be conducted by school authorities at any time without a search warrant or student consent.

### Statement of Non-Discrimination

Heritage Elementary School is committed to a policy of nondiscrimination in relation to race, color, religion, gender, age, national origin, or disability. This policy encompasses all matters concerning staff, students, the public, instructional programs, and services. Heritage Elementary School will comply with all applicable federal, state, and local laws relating to educational programs and personnel management. (ARS 15-184)

### Substitute Teachers

Every student will periodically be taught by a substitute teacher when it becomes necessary for the regular teacher to be absent. Students are expected to be extra courteous to substitute teachers. Students are to be helpful, polite and friendly.

### Telephones

If parents would like to talk with their child's teacher, they should call either before classes begin or after the students are dismissed. Parents may call during class hours and leave a message with the office for the teacher. The teacher will return the call as soon as possible.

**OFFICE TELEPHONE-** The office telephone is a business phone and is not to be used by students, except in an emergency. They will also be required to have permission pass from their teacher or the office to use the phone and will be questioned on the reason for the call prior to using the office phones. Students are not allowed to use the phone to make personal arrangements (such as requesting permission from parents to go to another student's home after school). The office staff has the right to monitor a student's phone call to ensure they are being honest about the emergency need to use the phone.

**CLASSROOM TELEPHONE-** The phone in the classroom is for the teacher use only. Students are not to use them under any circumstances without the permission from the teacher.

### **Tobacco, Alcohol & Drugs**

The possession or use of tobacco, alcohol, or non-prescription drugs is not permitted at any time in the school buildings or within the area surrounding the school. This rule applies to all school sponsored activities, regular school days, before and after school. This rule would include coming to school under the influence and affects of alcohol or non-prescription drugs. Violations of this rule will result in suspension or expulsion from school and/or a police investigation.

### **Vandalism**

Students who deliberately and wrongfully damage or deface school property will be required to pay for the damage and are subject to disciplinary action, which could include a police referral. Parents or guardians of these students will bear the ultimate responsibility for these payments.

### **Visitors & Guests**

Any parent or guardian that would like to volunteer in the classroom or on a field trip must fill out a volunteer application prior to volunteering. Parents who want to volunteer for field trips may be requested to complete the application which includes information for the Arizona fingerprint and background check. Please allow twenty-four hours for the application to be initially processed. The Arizona background check and fingerprinting process can take several weeks. Once the application has been processed visitors are welcome at our school and are required to register in the office. All visitors must wear a visitor's badge while on our campus. We all have to be extremely careful to make sure that no unauthorized persons are entering the school grounds. Younger relatives are not allowed on campus without their parents. Younger children may not accompany a parent when volunteering or participating in the classroom activities.

### **Weapons**

Knives, projectile weapons, guns or any other object which could cause harm to someone, are not to be brought to school. If brought, they will be confiscated and returned only to a parent/guardian or to the police. Students violating this policy will be subject to severe disciplinary action. None of the above items are to be brought to the building or to be in the possession of a person at school. Violations of this rule will result in suspension and/or expulsion from school and a police referral.

### **Withdrawals**

Please notify the office 24 hours in advance, either in person or by signed note or phone call, if you plan to withdraw your child from school. If you wish to withdraw from the school, all unpaid lunch fees must be paid in full; as well as transportation fees, if applicable. All textbooks and

library books are to be returned, or paid for, in order to receive withdrawal papers and report cards. In an effort to make sure that we have done everything possible to make your child's experience positive here at Heritage, we would request that the parents take a moment to fill out an exit survey.

## GLOSSARY OF CONSEQUENCES

Because some consequences apply to certain problems and not to others, it is not possible to list disciplinary options in a strict order of progression from less to more serious. This glossary is generally organized to present consequences of misconduct in order of increasing severity. Every situation is handled on a case-by-case basis.

- **Character Report, or Character Awareness Activity** - In accordance with the Character Counts program and to promote character development in the disciplinary system, a teacher or administrator may issue a written character report, or a character awareness activity. The reports or activities will be commensurate with the severity of the action, and will be directly related to one of the six pillars of character.
- **Conference**- A teacher or administrator will talk with the student about expected behavior and the consequences of misconduct.
- **Parent Involvement** -A teacher or administrator will discuss student behavior with parent/guardian, seeking cooperation in creating a positive behavioral change.
- **Detention/Work Detail**- Detention is mandatory time spend in an assigned location, performing supervised work for the school. Rules for detention vary by assignment, but always require full cooperation with the supervisor. Detention or work detail may be assigned before school, during lunch period, after school, or on a Saturday. Parent/guardian will be notified prior to assignment of after school detention.
- **Restitution**- When personal or school property has been damaged, stolen, lost, or destroyed, the student may be held responsible for replacing or paying the cost of the item. Restitution may be required in addition to other behavioral consequences.
- **Loss of Privileges**- Any privilege that is abused may be revoked, pending behavior change or fulfillment of reasonable requirements. Privileges may be restored to students partially or fully and may depend upon development of a behavioral contract. Loss of privileges may include the student's right to be enrolled in class, or participation in extracurricular activity.
- **Behavioral Contract**- A teacher or administrator may outline in writing the terms upon which certain student privileges will be granted or continued and specific consequences if terms are broken. Signatures of both student and school official are required; in some instances, parents or guardian will also be expected to sign, indicating agreement to the terms of the contract.
- **On-Campus Suspension (Short-Term)** - With notification to the student and parent/guardian, a school administrator may remove a student from all classes for a period of one to ten days. During this time, the student's access to school services, facilities and personnel will be limited to the on-campus suspension area. The student is not permitted to participate in or attend any school-sponsored events during the period of suspension.
- **Off-Campus Suspension (Short-Term)** - With notification to the student and parent/guardian, a school administrator may remove a student from school and bar the student from all school activities for a period of one to ten days.
- **Off-Campus Suspension (Long-Term)** - Acting upon the recommendation of the administration, the Board may deny all school privileges to a student for a period of eleven days to one calendar year.
- **Expulsion**- Acting upon the recommendation of the administration, the Governing Board may permanently deny all school privileges to a student.

- **Safe Campus Policy (Parental Conduct)**

All students, parents, faculty, and staff have the right to a safe campus where students are free to engage in their constitutional right to learn, and teachers are free to engage in their right to instruct. No person may interfere with or disrupt the school or its operations in any form, as determined by the governing board or school administration. Disruption or interference includes but is not strictly limited to: intimidating,

aggressively confronting, touching (with exception to a child pertaining to a parent or guardian), swearing, or threatening any other person affiliated with the school. All persons shall conduct themselves in a civilized and cordial manner when communicating or interacting with school staff, students, faculty, administration, parents, or any other person affiliated with the school. This Safe Campus Policy pertains to face-to-face communications, telephonic communications, email, or any type of communication, contact, or correspondence of any kind with any stakeholder of the school or the school's affiliates.
