

# HERITAGE

# HELPING HANDS

## COINS-4-KINDNESS

**November 3-17**

Heritage Helping Hands is teaming up with reKindle\* in November to raise money for the homeless.

**Penny War** is a competition between classes that will kick-off on November 3 at our annual Rollero Family Night.

- Each classroom will collect money in a jar
- Coins count as points for that class
- Dollars count against other classes that are in the lead

The **GOAL** is to have the most donations by November 17. The winning class will get a Pasta Lunch Party!

**GATHER YOUR COINS AND DOLLARS  
AND LET'S MAKE A DIFFERENCE!**

\*reKindle is a non-profit charity which aims to reKindle kindness in as many people as possible and inspire others to perform random acts of kindness. The organization has conducted community outreach for the past three years by planning events to help those less fortunate.
