

# Review Heritage Elementary School and You Could Win a \$25 Gift Card!

Parents,

With so many people moving into our neighborhood, we'd like to spread the word about how awesome Heritage is! Help us get the word out by giving us a review on the Great Schools website, and you could win a \$25 gift card.

On January 10, all the recent reviews posted on Great Schools will be entered into a drawing. Three winners will be picked at random, with each winning a \$25 gift card!

Submitting a review is easy. Follow the link below, click the *Review* button on the upper right, and tell us in a sentence or two why you love Heritage, and include your name so we can identify drawing winners. Then, submit your review and log in, which you can do using your Facebook login.

That's all there is to it!

We appreciate your participation. Thank you for supporting our school.
