

You're Invited to
Heritage Elementary

Love of Reading Week

February 12-16

Going Beyond the Book
Love of Reading Week 2018

Join us for a celebration of books! We will share with our students how reading stories opens up doors we never knew existed, and the lessons they quietly teach.

Heritage Elementary invites parents, guardians, and grandparents to share their morning or afternoon with their student. Bring your favorite book or two and share the adventure of bringing books to life.

To schedule your reading time, call Lori at (928) 635-3998.

Thank you to all our friends, families
and loyal supporters.
